Appendix 2 – PROPOSED

Primary Coordinated Admission Scheme - for new intake admissions - 2014-15 School Year

Key: 
NSC = North Somerset Council
VC = Voluntary Controlled
VA = Voluntary Aided
School Admissions and Transport Team (SAAT) = The School Admissions and Transport Team of NSC

Please note that where the word “school” is used in the general sense, it refers to either a school or an academy.

All Infant, Junior, and Primary Schools within North Somerset are participants within this Scheme.

1. By 12 September 2013 North Somerset parents will be able to express up to three preferences, and give their reasons for their preferences, for a new intake admission place at any Infant, First, Lower, Junior, Middle (with an entry age before 11) or Primary maintained school in England for their child (not including nursery/pre-school admissions). All preferences should be made in rank order on the NSC common application form and submitted by (23:59 hours) on 15 January 2014 in order to be considered in the first round of school place allocations. Parents of children in other council areas should apply for places at any maintained schools via their home council. All preferences (1st, 2nd and 3rd etc) will be initially considered equally regardless of ranking.

Whilst it is not the responsibility of other offices/schools, the SAAT will use discretion and may accept applications/documents received by other Councils, Schools or other Council offices that are passed to the SAAT.

2. By 31 January 2014 NSC will send to other councils details of applications for their schools and NSC will receive details of applicants for its schools from other councils. By 7 February 2014 NSC will send to own admission authority schools within North Somerset details of all applications for their schools. The order of the applicant’s preferences will not be revealed.

3. Own admission authority schools in North Somerset will apply their over-subscription criteria and send to NSC by 20 February 2014, a list indicating the allocation order of all applicants.

4. By 26 March 2014 NSC will send to other council’s lists of initial outcomes of applications made by their residents for schools in North Somerset. By the same date other councils will inform NSC of the initial outcome of applications made for other council schools by our residents.
5. NSC will then determine the highest preference school that can be met for each applicant. Where a child qualifies for a place at more than one school, only the highest preference school will be allocated. If no preference can be met NSC will determine the nearest school with a place available for NSC residents. Only one school will be offered.

6. By 10 April 2014 NSC will send to other councils, details of the intended final list of offers for their residents applying for North Somerset schools. Other councils will send NSC the final list of offers for North Somerset residents applying for their schools.

7. By 15 April 2014 NSC will send to all North Somerset schools the intended final lists of pupils to be allocated places. Schools must not notify parents of the results of the application process.

8. On 16 April 2014 NSC will send a letter to (and email if requested by online applicants) every North Somerset applicant whose application has been accepted as on-time, to tell them the result of their application.

9. The acceptance or refusal of an offer of a school place should be returned by 30 April 2014.

10. Details of:
- late applications
- on-time applicants still seeking a place at their preferred schools
- of offered places not accepted by applicants,
will be exchanged between councils as far as possible between 15 January 2014 and 9 May 2014, to enable a second round of allocations to be made in week commencing 19 May 2014.

11. The coordinated admissions process will continue to be operated, with application data being exchanged with other councils as necessary, for all applications received up to and including 31 August 2014.

Data will as far as possible be exchanged electronically between councils and other admission authorities. Paper data will only be used when it is not possible to share data electronically. The stated dates for sharing data between councils and schools and for sending offer/refusal letters to parents are intended target dates. It may not be possible for the data to be exchanged or letters to be sent on those actual dates.

12. For the 2014-15 school year, first entry to the Reception Year at Infant, First, and Primary schools is for children born between 01/09/09 and 31/08/10 and first entry to North Somerset Junior school places is for children born between 01/09/06 and 31/08/07 (except those leaving North Somerset First schools who were born between 01/09/05 and 31/08/06) inclusive.

13. The Common Application Form should be returned to NSC on paper, by fax, by email or online. Applications should be delivered to the addresses below.

North Somerset Council, Children and Young People’s Services, School Admissions and Transport Team, Town Hall, Walliscote Grove Road, Weston-super-Mare, BS23 1UJ              Tel No: 01275 884 078     Fax No: 01275 882 747

Email: cyps.schooladmissionsandtransport@n-somerset.gov.uk
Any relevant letters/supporting documents should (unless otherwise specified in an own admission authority school’s admission arrangements) also be submitted to the above addresses. Applications and any relevant letters/supporting documents received by the SAAT at its office in Castlewood, Tickenham Road, Clevedon may also be accepted.

Whilst it is not the responsibility of other offices/schools, the SAAT will use discretion and may accept applications/documents received by other Councils, Schools or other Council offices that are passed to the SAAT. They will be accepted as on-time if it the SAAT feels they may have been submitted by the closing time and date.

VA schools may require additional information to enable them to consider applications under some of their individual criteria. Where this is the case, applicants are required to provide additional information, for example a copy of a baptismal certificate, a letter from a religious leader and/or a supplementary information form. It may be provided separately from the application but should be submitted by the closing time and date to be considered in the first round of allocations. For North Somerset VA schools it should be submitted to the child’s home council.*

* Except for Corpus Christi, St. Francis and St. Joseph Catholic Primary schools in North Somerset, where the additional information should be received by the child’s home council or the school. These schools must forward any additional information they receive to the SAAT. Parents, whose application also includes other North Somerset preferences for different VA schools that require additional information, should ensure that copies of it are also submitted to the SAAT. If parents are applying for VA schools in other council areas they should contact that council to find out where such additional information should be submitted.

NSC will forward any additional information it receives to North Somerset VA schools or other councils for VA schools outside North Somerset. Own admission authority schools may require other additional supporting information in order to apply their oversubscription criteria. Parents should check the admission arrangements of each school they are applying for to see if any additional information is required and the address where it should be sent.

Applications will be accepted for children who meet one or more of the following:

- they are resident in the UK
- they hold full British Citizen Passports
- they are from countries whose passports have been endorsed to show that they have the right to abode in this country
- they are from the European Economic Area (EEA).

Those who live outside of the United Kingdom (UK) and are wishing to attend a North Somerset school should apply directly to NSC. However applications for children who do not meet one of the above will not be accepted until the child is in this country.

If independent confirmation of a change of address that will occur after the closing time and date (and before the start of term 1), is submitted by the closing time and date it will be considered in the first round of allocations.
Examples of independent confirmation of a change of address are a solicitor’s letter confirming the exchange of contracts with a completion date, or a tenancy agreement signed by both parties. If the child is from a family of a Crown Servant or of UK Service Personnel, parents should provide a letter from the MOD, FCO or GCHQ declaring a return date and residency area. Applicants may also be required to provide proof that they have left the previous property, for example by supplying a final account utility bill. Parents must inform NSC if they change address as soon as possible or any offer of a place may be withdrawn.

If a new address is not accepted for a round of allocations for the applicant’s preferences and it is within North Somerset but none of the preferences can be offered, the alternative school offered will be still based on the new address providing details and/or independent confirmation of it, are received before that round of allocation of places has been finalised.

Where a change of address is from one Council area to another, the Council of the area that the child and/or applicant now lives, will then be the home council. The new home council will then process the application and notify the parents of the outcome.

Only applications classed as having been submitted on-time will be considered in the first round of school place allocations. Applications and changes in application criteria details and supporting evidence (such as baptism certificates) submitted after the closing time and date will not be considered in the first round of allocations unless the NSC Applications Panel considers there is an extenuating reason(s) (see below) for allowing them to be treated as if the latest information had been submitted by the closing time and date and details of the application or changes were received before NSC has sent details of applications to other councils (see 17 below).

Where NSC has been informed by other councils of applications or changes in preferences/addresses/application criteria details that have been submitted after the closing time and date that they have accepted as on-time, these will be included in the first round of allocations if they are received by NSC before NSC has sent details of applications to other councils.

Parents of children moving from within the United Kingdom into North Somerset, making a late application and wishing to be considered as on time must have at least made an original application to their previous home council by the closing time and date.

Examples of an extenuating reason include the following:

(i) The child is from a family of a Crown Servant or of UK Service Personnel and the MOD, FCO or GCHQ has provided a letter declaring a return date and residency area.

(ii) The application was late due to significant health/medical reasons and independent confirmation of this is provided

(iii) The child becomes a ‘Child in Care’.

All late applications, changes in preferences and changes in address/family circumstances not accepted as on-time will not be considered until after the first round of allocations by which time all of the places may have already been
17. Applications, independent confirmation of new addresses and changes in preferences received after the closing time and date will not normally be considered as being submitted on time. However applications, independent confirmation of new addresses and changes in preferences submitted by post but received one working day after the closing date and any others where it appears to the NSC Applications Panel that it was submitted before the closing date, will be deemed to have been submitted on-time.

It is recommended that some form of proof is provided, that is accepted by NSC, to confirm an application/changes was submitted on time. For example a Post Office document that confirms it was posted by 23:59 hours on 15 January 2014.

If after an application has been made, the SAAT is made aware that a child is or has become a Child in Care and/or has an appropriate brother sister/link, the SAAT will endeavour to include the information in the first round of allocations. However this may not be possible if the allocation process has reached a stage where it would be too impractical to include such information. In particular it may not be considered by own admission authority schools if they have already ranked their applications. It is ultimately the responsibility of parents to provide all details relevant to their application.

Any other changes in application details relating to the application of the criteria relevant to the school(s) applied for, will be considered on their individual merits and must be received before NSC has sent details of applications to other councils.

Applications and changes received late due to an extenuating reason(s) (but before details of applications has been sent to other councils) that have been accepted by NSC Applications Panel (see above) will also be accepted as on-time.

18. Changing preferences (altering the order of preferences is also considered as a change of preferences):

i) before the closing date for applications

Any change in preference submitted before the closing time and date will over-ride all previous applications, which will be withdrawn. The most recent application submitted prior to the closing date and time will be considered.

ii) after the closing date, but before NSC has sent details of applications to other councils

Changes of preference(s) submitted after the closing time and date will not be accepted unless the NSC Applications Panel consider there is an extenuating reason(s) - see above - for allowing it to be treated as if the changed preference(s) had been submitted by the closing time and date. Otherwise only the original application (i.e. that showing the preferences as at the closing time and date) will be considered in the first round of allocations. The revised application will not be considered, unless the parent confirms that their on-time application can be withdrawn. Parents will be given the opportunity to revise their preferences when they are notified of the on-time of their original application.
iii) after NSC has sent details of applications to other councils but before offers have been made

Such changes will not be accepted for the first round of allocations. The preferences on the on-time application will still be considered in the first round of allocations unless the parent confirms that the application can be withdrawn. Parents will be given the opportunity to revise their preferences when they are notified of the outcome of their on-time application.

iv) after offers have been made

Offers in the first round of allocations will be made only for on-time applications unless NSC has accepted a subsequent change in preferences or a late application, based on extenuating reason(s). When offers are made, these may be accepted or rejected by the parent.

If, having received an offer based on a previous application a parent wishes to change the preferences from those shown on the previous application, then the parent may reject the offer made and submit a new application showing the currently preferred preferences and this will be considered in the next round of allocations. The new changed preferences application will be treated as a late application - it will not have priority over other applicants who did not submit any application before the closing time and date.

The place that has been rejected by the parent submitting the new, changed preferences application will not be kept open for that parent and may be offered to other applicants in the next round of allocations. There is no guarantee that a parent submitting a changed preferences application will be successful in obtaining any of the new preferences since there will only be a limited number of, or none, places available at any school for any subsequent round of allocations.

19. NSC will consider the child’s home address to be the place where the child permanently and ordinarily resides for the majority of the time. This would normally be the same address as the person who has parental responsibility for the child as their main carer. It will not include the address of a child that is different from his/her parents where the move to this address is expressly linked to obtaining a school place.

Where parents do not live together and the child spends equal amounts of time with both parents, NSC will consider the home of the parent who made the application to be the child’s home.

NSC will not accept more than one address as the child’s home address. The terms of a residency order may clarify the home address. Where necessary to determine which address to recognise and in the absence of a residency order, NSC will consider the home address to be with the parent with primary day to day care and control of the child. In reaching this decision, evidence may be requested to show for example the address to which any Child Benefit is paid and from which the child is registered with a medical GP. Any other evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes. This may be necessary for instance where parents do not agree on the child’s home address. Parents are urged to reach agreement but where they do not, NSC will
determine the home address.

20. Where the child temporarily resides away from his/her parents in a different council area, the home council will continue to be the council where the child would usually reside with his/her parents. Whilst the place of residence of the child for the first round of allocations would normally be his/her physical place of residence as at closing time and date for applications, it should be noted that in certain circumstances and acting in the interests of the child NSC will reserve the right to exercise discretion and may use an alternative place of residence*, for example where a child is temporarily living away from his/her parents home and the new temporary place of residence is the home where the child is likely to be living whilst attending school.

*If necessary this would be determined by the North Somerset Applications Panel.

21 NSC and schools may undertake checks to ensure that an applicant is (or will be) living at a property. Applicants may be asked to provide documentation to prove that they reside (or are about to) at their stated home address, for example a copy of a recent gas or electricity bill. Applicants would be required to provide this documentation by a deadline set by NSC. If this documentation is not provided, the application would not initially be considered in the first round of allocations. If the applied for schools become full a place would then be allocated at the nearest school to the home address with a place available measured by the shortest route.

22. Parent: This includes all of those people, including carers, who have parental responsibility for a child as set out in the Children Act 1989. All references within this document to parent(s) therefore include carers.

Applications must be made and signed by a person with parental responsibility for the child. If applicants do not have parental responsibility, the person completing the form should send an accompanying letter (in paper or electronic format) explaining the reasons why they are applying rather than a person with parental responsibility. Any evidence to support the case should accompany the letter. The reasons will be considered by NSC and if deemed acceptable, the application will be processed accordingly. If not deemed acceptable, the application will be returned for the signature of a person with parental responsibility for the child.

Where parents share parental responsibility for a child and two applications are received for the one child from his/her parents, NSC will ask the parents to determine which application it should consider and which application should be withdrawn. This is because NSC will offer only one school place to a child at any one time. If parents cannot agree, they should resolve the issue through the court system, for example to obtain a 'Specific Issues Order' which specifies which parent has responsibility to make decisions on school preferences. However, in the absence of any Order the decision as to which application should be accepted will be determined by drawing lots. Whichever parent’s application is accepted, the address the child spends the majority of his/her time, will be the one considered by NSC to be the home address.

23. NSC will withdraw an offer for a school in limited circumstances. Examples may be where it was offered in error or where it can be shown that the offer was obtained on the basis of a fraudulent or an intentionally misleading application such as a false claim to residence at a particular address, which effectively denied a place to a child with a stronger claim. Where before offers are made, an application is deemed to be
fraudulent or intentionally misleading the application will be considered on the basis of
the correct information.

If a child or parents move address but the parents do not inform NSC, this may be
deemed to be intentionally misleading and any place offered may be withdrawn if it
has denied another child a place.

Notification from parents of acceptance of an offer of a place must be received by
NSC within 14 days of the date of the offer of a place. Where parents do not respond
to an offer of a place or to any subsequent reminder to reply within a further 7 days,
the offer may be withdrawn and the place offered to another applicant. It is the
parent’s responsibility to inform NSC if their contact details change after making an
application.

If children do not commence attendance at school at the start of the term arranged for
their child to commence, and the school is not given a satisfactory reason for the
absence the place may be withdrawn and if applicable will be offered to other
applicants.

Where applicants do not qualify for the school(s) they have applied for, the alternative
school offered will be, if the child lives in North Somerset, the nearest school within or
outside North Somerset, to the child’s home address (as at the time allocations are
being made) with a place available as measured by safe walking route. Where there
is no safe walking route available it will be measured by the shortest route. This may
be a North Somerset Community, VC or VA school (excluding Catholic schools) or a
school within another council area, (where the admission authority has agreed to
accept children who have been refused other schools).

Where there are more children than places remaining at the nearest school, priority
will be given to those living closest to the school. Remaining applicants will then be
offered the next nearest school with a place available. Once that school becomes full,
any remaining applicants will then be offered the next nearest school with a place
available and so on. The distances will be measured by the shortest route.

The alternative school offered may not be the nearest one available, if after having had
regard to any reasons expressed by the parent for their (unsuccessful) preferences
and NSC’s admission arrangements, NSC felt it was appropriate to offer a different
alternative school, for example if the nearest school was incompatible with the
parent’s religious convictions. If no preferred school in North Somerset can be offered
for a child living in another council area, the child’s home council should offer an
alternative school place.

Where NSC receives an application form that has not been fully completed with all of
the information necessary to enable the application to be considered, NSC may
contact the parents to request the outstanding information. For on-time applications, if
the outstanding information is supplied within a date specified by NSC to the parents
but after the closing date, it will be accepted as an on-time application. If it is not
received within the requested timescales it will not be counted as on-time unless an
explanation considered to be satisfactory by NSC is provided.

Council: Within this document references to ‘Council’ mean either North Somerset
Council or any local Council. ‘Home Council’ means the council within which the child
and/or parent(s) live.
27. A governing body/academy trust of an own admission authority school should notify North Somerset Council of their intention to admit above their Admission Number in good time to allow the Council to deliver those co-ordinated arrangements.

28. Whilst NSC will process applications in accordance with this scheme it will exercise discretion and may deviate from it in exceptional circumstances where it feels it is appropriate to do so.
