1. The schools admission arrangements for Reception Intake are in conjunction with the North Somerset Co-ordinated Admission Scheme for new intake primary admissions for 2015-16. To see a copy of the scheme contact North Somerset Council (see No.6 below for contact details).

2. Christ Church Church of England Primary School’s Governing Body, in accordance with the School’s Voluntary Aided status, is responsible for admissions to the School.

3. It is the intention of the Governing Body to provide Educational Excellence through the Christian community of Christ Church Church of England Primary School.

   The over-subscription criteria will be reviewed by the Governing Body and published after consultation with other local admissions authorities including North Somerset Council.

4. The Admission Number for Christ Church Church of England Primary School is 30 and this is the number of places available in each year group. If the school is not over-subscribed all applicants will be offered a place.

5. **The Over-subscription criteria for the 2015-16 school year**

   If the school is not over-subscribed all new intake applicants will be offered a place. If the school receives more applications than the Admission Number the following criteria will be used to determine who will be allocated the places. All applications will be ranked in accordance with the criteria below given in order of priority.

   (a) Children in Care and children who were previously in Care but immediately after being in Care became subject to an adoption, residence, or special guardianship order.

   (b) Children whose brother or sister will be attending the school at the time of admission.

      When applying criterion (b), priority will be given to those living closest to the school measured in a direct line between the address points of the child’s home and the main entrance to the school, indicated on North Somerset Council’s computerised system(s).

   (c) Children with a brother or sister within the same year group where Christ Church Church of England Primary School is the nearest school to the home address, measured in a direct line between the address points of the child’s home and the main entrance to the school indicated on North Somerset Council’s computerised system(s).

   (d) Children living closest to the school. The distances will be measured in a direct line between the address points of the child’s home and main school entrance indicated on North Somerset Council’s computerised system(s).

   Where the direct line distances are equal, the ranking of applications will be made by drawing lots.

   Where a school is named in a child’s Statement of Special Educational Needs the Admission Authority is legally required to admit the child to the school. Such children will therefore be
allocated places before the over-subscription criteria are applied. Applications of this type will take priority over all other requests for places.

The school will hold a list of those Reception applicants still seeking a place at the school, until the last day of term 2 in 2015. All applications will be ranked in line with the school’s over-subscription criteria and allocations will be made in accordance with it. Priority will not be given on the basis simply of the date an application was added to the list. Children who are the subject of a direction by a Council to admit or who are allocated a school in accordance with a Fair Access Protocol for school places, will take precedence over those on the waiting list.

ADDITIONAL INFORMATION:

7. In-Year Applications:
If there are more applicants than vacancies for any year group, In-Year applications will be considered in accordance with the above over-subscription criteria. An In-Year application form is available upon request from the school and/or North Somerset Council. The school will, where appropriate, consider allocations for children identified as being from vulnerable groups in accordance with North Somerset Council’s Fair Access Protocol (full details available from North Somerset Council).

8. Children in Care
‘Children in Care’ are children who are (a) in the care of a local council or (b) being provided with accommodation by a local council in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
9. Brothers and sisters.
To be considered as a brother or sister a child must be living at the same address for the majorities of the time* as a full, half, step or adoptive brother or sister. Full and adoptive brothers/sisters are defined as children who have the same either biological or adoptive parents. Half brothers/sisters are defined as children who share only one either biological or adoptive parent. Step brothers/sisters are defined as children who are not necessarily related biologically (including Foster children) but are living in the same household for the majority of the time* at the address considered to be the address of the child for whom the application is made.

* A child must be living at an address for at least 50% of the time to be considered as living there for the majority of the time.

Except for a brother or sister within the same year group, a brother or sister must be attending (or is expected by the school and/or North Somerset Council to be attending) the school at the time of admission.

10. Home address.
A child’s home address is considered to be the place where the child permanently and ordinarily resides for the majority of the time. This would normally be the same address as the person who has parental responsibility for the child as their main carer. Those moving should normally provide independent confirmation of the new address.

11. Parent: This includes all of those people, including carers, who have parental responsibility for a child as set out in the Children Act 1989.

There is a different procedure for Children with a Statement of Special Educational Needs. Their parents should apply for a place via the service dealing with Special Education Needs in their home council.

13. Right of Appeal
Parents whose school place application is refused have the legal right to appeal against this decision. Details concerning how to appeal will be explained in the decision letter.

14. Admissions of children outside their normal age group
The governors will consider applications for delayed or accelerated entry in cases where parents would like their child to be admitted to a year group either side of the chronological age year group. The reasons for the request must be fully explained in writing and included with the school place application form.

15. Deferred Entry
Parents of children aged four, but who have not yet reached their fifth birthday have the right to apply for a deferred entry to school. In these circumstances, parents can request that their child start school in the Reception year group at a later stage in the academic year, however, must be in full time education by the start of the term (term 1, 3 or 5 as appropriate) following his/her fifth birthday.

Parents may also request that that their child takes up their place part time until the child reaches compulsory school age.

16. Nearest School: For criterion (c) the distances used to determine the nearest school will be measured in a direct line. If direct line distances are equal the nearest school will be determined by drawing lots. The nearest school is the nearest appropriate one i.e. a
maintained (not private or fee charging) mainstream school (excluding Catholic schools) that is appropriate to the child’s age.

17. All applications will be considered equally regardless of the ranking of a parent’s preference for the school.
