NOTICE OF REVIEW OF POLLING DISTRICTS AND POLLING PLACES 2014

The above regulations require each local authority to carry out a review of Polling Districts and Polling Places on a four-yearly basis. The reason for this review is to ensure that all electors within North Somerset have such reasonable facilities for voting as are practicable and to ensure that polling stations are accessible to all electors, including those with special needs.

The consultation period will commence on Thursday 11 December 2014

The Acting Returning Officer for the Parliamentary Constituencies of Weston-super-mare and North Somerset will be consulted and will make formal comments on the existing polling stations and the polling stations that would probably be used based on any newly recommended polling places. These comments will be published within 28 days of receipt.

Representations and comments are invited from elected members (MEPs, MPs, district and parish councillors), local political parties and electors, as well as persons or organisations that have particular expertise in relation to access to premises for people with different forms of disability.

Full details and maps of existing and revised arrangements can be viewed in person at: Electoral Services, Town Hall, Weston-super-Mare.

Representations may be submitted to arrive by no later than NOON on Wednesday 31 December 2014 as follows:
